

## Student Learning Outcome Exercise

*Use this exercise to practice writing student learning outcomes using the ABCD Method and aid in developing an assessment for your student affairs program or service.*

1. Program Name:
2. What is the goal/purpose of this program?
3. How does this program relate to your department's mission statement?
4. How do you assess whether this program is effective?
5. Write 1 student learning outcome using the ABCD method:

❖ Audience

❖ Behavior

❖ Condition

❖ Degree of measurement

❖ *“As a result of (condition), (audience) will (Bloom’s taxonomy verb) (behavior), as measured by (degree of measurement).”*
